President's Message

Hi Everyone,

It's a beautiful time of year outdoors: autumn foliage is at its peak, and the temperature is cool --so dress accordingly for what should be good fishing.

If you are traveling through woods, remember it's hunting season, and wear a fluorescent hat.

Our new meeting hall at the Knights of Columbus seems to working out very well, and there's plenty of room for newcomers.

If you get a chance, drop by our Juniors meeting at the Aspray Boathouse. It's lots of fun.

Looking forward to seeing everyone,

Mike Maddalena

Please pay this year's dues and check your address as you enter.

And please arrive early to set up in the new hall.
